

Pre-School Newsletter April 2018

Welcome back and we hope you all had a lovely Easter break. A huge thank you to a couple of our committee members Mike and Tom who successfully removed the climbing frame from our front garden over the holidays. Thank you also to Elsevier which is a local business in Kidlington that once again sent us a team of volunteers. They did a fantastic job of painting the entire building on the outside which was not an easy job to do especially in the rain!

The weather is warming up (we hope!) so a reminder please, all children must come into WUFA wearing sun cream and a clearly labelled hat, we do provide sun cream however if your child has sensitive skin or known allergies please provide your own appropriate cream (Clearly labelled). For those children that come to us from Nursery we will re-apply sun cream after lunch. Some children go straight on to Nursery from our morning session it may be worth mentioning to Nursery direct if you would like Nursery to re apply when they arrive.

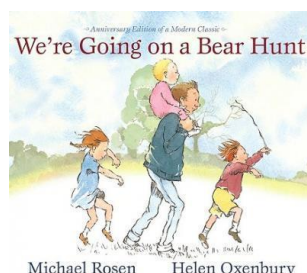

School Place Allocations - April 16th 2018

Please let WUFA know when you have received your Childs place at Primary School and which school? Moving from a setting to Primary School can be daunting and our aim is to make this "Transition" as smooth as possible. There are lots of tools that we can use such as photo albums of Schools, uniform, photos of teachers, books about moving to Primary School. We will also invite your Childs new teacher to come and visit us.

Individual Learning, Home learning, Interests and WOW moments

Summer term focus is "The Great Outdoors". This is a wide theme and can go off in lots of different and exciting areas of learning. We will be setting up WUFA Garden Centre outside and planting Sunflowers, cress and beans. The sunflowers will stay here for a few weeks and then they will be coming home. We will be asking you to plant and care for them and send us regular updates. If you do not have an outdoor area this is absolutely fine we can plant them here instead.

Our first focus story is " We are going on a bear hunt"

Committee News

We have another new member to welcome this month, Mike Ferens has joined the committee as our new treasurer. Mike has also been very busy along with Tom Richards removing the climbing frame over the Easter holidays. I am sure you will agree they have done a great job and it adds so much space to our outside play area. We are looking forward our Community Fun Day on Saturday 5th May 11 - 1. Nadine has been working very closely with Kate and June pulling the event together and we can't wait for you to come along a support us along with friends and family. We are hoping to raise funds for some exciting new garden equipment. Our next committee meeting is being held on Monday 23rd April, if you would like to join us on the committee please let a member of staff know and one of us will be in touch.

Important information from the Oxfordshire County Council Funding team:
