

Pre-School Newsletter December 2018

This term is flying by and Christmas will soon be upon us. Thank you to Mike our chair for collecting our stunning Christmas tree which was kindly donated by Bunkers Hill Garden Shop. We have also been sending home fliers. PLEASE mention WUFA if you buy your tree from Bunkers as we will receive a small commission. This will go into the WUFA fundraising pot!

We have lots of things coming up in December and January so do take note of the dates at the end of page 2.

WUFA Nativity - Tuesday 18th December

Full information can be found on the last page of this newsletter.

Children have also been coming home with a flier and information on what they may need.

"The Just Because Raffle"

As some of you will have seen on our Facebook page, this raffle was a huge success and we have raised over 1.7 K which is beyond fantastic. It is largely down to local businesses donating gifts and a special thanks to Simon and Jay Flowers who kindly donated the iPad mini and continue to support WUFA in many ways.

Thank you on behalf of the WUFA team and our committee. We will be looking at ways to spend this money on valuable resources in early January and we will keep you updated.

A.G.M update

As some of you are aware, we held our AGM on Wednesday 21st November. This meeting is open to all parents and a requirement of this charitable setting.

We would like to thank the parents that did attend and for their valuable input into this meeting. In line with the Charity Constitution requirements the minutes will be on our WUFA website soon. The committee are also looking at ways to encourage more parents to attend these meetings and the reasons why they are necessary.

Thank you also to the 3 Pre-School parents that have volunteered to join us, a member of the committee will be in touch soon to assist you in the procedure and paperwork.

Individual Learning, Interests and WOW moments: All about me

Current Story and Role Play area

Our focus story for the past few weeks has been the "Stick Man" and the children have really enjoyed this book. The activities have filtered into all areas of learning such as mark making by using sticks, counting stickmen in maths activities and phonics.

Over the next week we will continue to work hard on our Nativity play. We have a trip planned to the Nature Trail and a visit to Woodstock's Residential Care home.

Please keep the WOW moments coming in especially at this time of year because the children love to share special moments it makes them feel very special and proud.

The children are busy making and creating little treats. Don't worry if they are not bringing them home yet, we use them for displays and further activities.

	DECEMBER & JANUARY 2019
Tuesday 11 th December	Pre-School visit to Woodstock's Residential Care Home 10 - 11am
Tuesday 18 th December	This year's Christmas performance for Pre-School children. The sleepy Shepherd 2pm - 3pm with a visit from Father Christmas! More information in this newsletter

The Sleepy Shepherd Tuesday 18th December 2018 @ 2pm

Designed by Karen Cheung - www.bep Lucky.co.uk

We have sent home a flier and slip with further information, but we appreciate you may have more questions. We hope this helps....

- If this Nativity is not within your child's NORMAL session times please collect as normal and return to WUFA at 1.45pm. We can then get the children ready while you take your seat.
- If you are unable to bring your child due to work commitments or they attend another setting please let us know and we can see if we can book them in for an extra session. All children have been practicing so it would be a shame for them to miss out.
- Photography is allowed however these are for personal use only, not to be used on any social media sites.
- We will be serving cold drinks at the end of the Nativity and mince pies, if anyone would like to donate some mince pies please drop them off either the week before or on the Monday. (Nut Free)
