

## Transitions to other settings

Children who are moving up to school or other settings have various settles booked in and we at WUFA are looking forward to welcoming teachers here to visit your children in action. We have also set up a mini school in our role play area, where the children can dress up in uniforms, take registers, flick through photo albums of where they are going. It can be a big thing for children the more familiar they are with any changes the better. We have a transition file in our front hall which you are more than welcome to borrow with lots of information about being ready for the next step in your child's school life.

## Pre-School Newsletter June 2019

This Term at WUFA we will be...

The term will be split into two themes. The first three weeks we will focus on transitions and moving on to school or nursery. The second part of the term will look at holidays and the seaside.

### A Reminder.....

Please could we ask all parents to remember to put sun cream on their child before they arrive in the morning, if necessary. This helps the staff greatly during the morning session. We will apply it again in the afternoon session.

Please remember a named sun hat as well.

Thank you.

### Our Stories of the Week

4<sup>th</sup> June - Harry and the Dinosaurs to go School

10<sup>th</sup> June - First Day at Bug School

17<sup>th</sup> June- Hugless Douglas Goes to Little School

24<sup>th</sup> June-What the Ladybird Heard on Holiday

This week we were really excited to have some caterpillars arrive at WUFA. They are very tiny at the moment and we will watch them grow and change over the next 3 to 4 weeks. We will let you know how they are doing. The children are looking forward to releasing them in the garden soon.

## Home Learning Ideas

- We have been looking lots at insects at WUFA the past few weeks. The children have all taken an interest in this. Why not try going on a bug hunt in your garden or at the park. The children will be curious about where the insects live and what they eat.
- Why not have a go at making your own Very Hungry Caterpillar at home, like this paper loop caterpillar or the egg box caterpillar.

## Razzamatazz

Razzamatazz was a complete success this year. We raised over £100 on the cake sale and sold lots of tickets for Kidstock.

A huge thank you to Amy and Kirsten for manning the stall all day and for all the parents who made cakes and volunteered.
