

Pre-School Newsletter December 2019

Storytime 'Countdown to Christmas' event

We are all very excited about our Christmas event on Tuesday 10th December. On this day please send your child to WUFA in festive/party clothing. This could be a Christmas jumper, party dress or whatever they consider to be fun and festive! The staff will of course be donning our Christmas attire too!

We would just like to remind parents and carers that when you arrive at the youth club, your child will be signed out of our WUFA register.

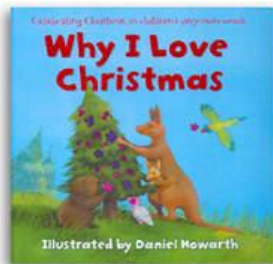

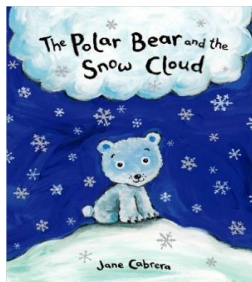

Now that December has arrived, we are fully embracing the festive season!

The children are working very hard practising their songs for our "Countdown to Christmas" event on 10th December and we've been getting very creative in our art area! (But you're not allowed to know about that yet!)

We would like to take this opportunity to wish you all a very Merry Christmas and a Happy New Year!

Story of the week

This month are stories of the week will be...

In our final week of term we would love you to bring in your child's favourite Christmas book to share with the other children. Throughout the week we will read them all to the children.

A Reminder...

Please could we ask that all clothing, lunch boxes and shoes are clearly labelled with your child's name.

Thank you.

Stay and Play

We would like to thank the parents who came to our 'Stay and Play' morning on 3rd December. It's lovely for the children to be able to show their parents and carers what they enjoy doing at WUFA.

If you were unable to attend, please don't worry. We will be organising another session and will let you know when the date and time has been decided.

Tapestry

We hope you are enjoying reading your child's observations on Tapestry. Please feel free to add any comments or create your own observations if they have done something special you would like to share with us.

Trip to Spencer Court Residential Home

On 13th December we will be walking the children the short distance to Spencer Court. This is something we did last year which brought great joy to both the residents and the children.

We will be giving pictures that the children have drawn or painted as gifts for the residents and will sing the songs from our "Countdown to Christmas" event.

A snack and drink will be provided for the children.

Musical Minis

The children are really enjoying our Friday afternoon Musical Minis sessions.

Musical Minis are Pre-School fun time music groups that offer your child the chance to be involved in developmental activities relevant to their age and stage.

We would like to say a huge thank you to Blenheim for donating our beautiful Christmas tree which the children thoroughly enjoyed decorating on Friday!

Could we please ask that any borrowed items of clothing could be returned to us as we are running low on spares. If anyone has any old Pre-school age clothing that they would like to donate to us, we would be very grateful.

We had a lovely afternoon with one of our parents last week who came in to read the children a story in Chinese. The children really enjoyed the experience and it gave them the opportunity to listen to another language.

If any other parents or carers have a skill, talent, or speak another language and would like to share something with the children, please let your child's key person know and we will arrange a time for you to come in.
