

Pre-School Newsletter September 2019

We've had a lovely first few weeks back at WUFA and our new children are settling in really well.

We have put a lot of focus on our 'All about me' topic, concentrating on our body parts and where they are as well as our home life and families.

Now that Autumn is in full swing we have also loved doing some more seasonal activities, looking at the conkers outside and how the leaves are changing colour.

A Reminder...

Please could we ask that all clothing, lunch boxes and shoes are clearly labelled with your child's name.

Thank you.

Pre-School photographs

Alex has taken some beautiful photographs of the children this week and they thoroughly enjoyed it too!

If your child has had their photograph taken you will receive a password which will allow you online access to your child's images only. Further information about ordering will be available on the website.

Our Gardening Activities

This week we harvested our eagerly awaited Corn on the cob and it went down a treat at snack time!

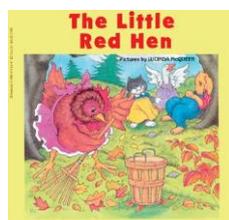

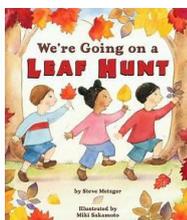

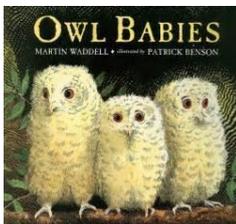

The children are really enjoying learning about where our food comes from and how to grow our own vegetables.

Stories of Week

Every week we will be reading a different story throughout the week and incorporating it into our play and activities.

This month our stories of the week will be

Christmas story

Our Pre-School Christmas event this year will be a Christmas story on Tuesday 10th December at 2:00pm.

More details to follow. Please save the date!

Tapestry

We hope you are enjoying reading your child's observations on Tapestry. Please feel free to add any comments or create your own observations if they have done something special you would like us to know about.

Home Learning Ideas

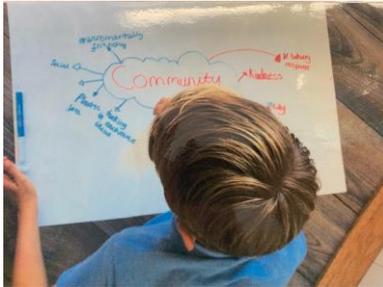

- As part of our 'All about me' topic, we are encouraging the children to tell us about themselves and their lives at 'Hello time.' We use a dice with a different question on each side for the children to answer and learn more about their friends. Why not try this at home to learn more about your child's time at WUFA? You could ask "what colour group are you in?" "What's your favourite thing to do at WUFA?"

Community project

Over the last few weeks 'Community first' have been working closely with our Pre-School and After School club children.

They have been learning about what a community is and sharing what they value about it.

Moving forward we will be continuing to work with them to learn how to utilise our community and what we can do to enhance it.

Wellies

Could you please provide us with appropriate outdoor clothing, including a pair of named wellies for your child to wear.

Tennis

We will be continuing with our tennis lessons on a Thursday afternoon until Half term.

The children have thoroughly enjoyed this extra-curricular activity and it has given them a brilliant opportunity to learn a new skill.

£2,581.98

Thank You Woodstock!

Kidstock was a huge success and we are delighted to have raised such an amazing amount of money.

We would like to take this opportunity to say a huge thank you to our fundraising team, committee, staff members and everyone who attended the event for making it such a wonderful afternoon.

For further information please contact:
wufafundraising@gmail.com

Any artwork or creations your child has made will go into their drawer in the front hall ready to go home.

Important Dates

25 th October	Term ends
4 th November	Term begins
10 th December	A Christmas story
