

Pre-School Newsletter July 2021

We can't believe we are into the last few weeks of what has been another incredibly strange School Year! We have been so impressed at how the children have coped with the Pandemic and the changes it has brought to their lives and we hope that being able to be at WUFA with their friends has helped to ease any anxieties they may have had.

Our new children have settled in brilliantly and the children heading off to School in September have adapted so well to being at home for so long and then coming back into the Pre-School setting.

Hopefully all the parents of our School Leavers have received our WUFA Transition pack via EYLOG. If you have not received it, please let us know and we can send it again.

Over the last few weeks we have been talking a lot to the older children about the transition to School and answering all their questions. Our home corner has been transformed into a School area with uniform from the surrounding schools, photos of the teachers they will have and pictures and stories of what their routine may look like.

We understand that the children may be feeling anxious about starting school, particularly because of the Pandemic so we have been talking a lot about the feelings and emotions they are currently experiencing.

We would just like to take this opportunity to wish our School Leavers a wonderful start to their School lives. We will miss them all!

For those that will still be with us in September we will send out further information over the Summer, we would normally do this prior to the end of term but with constant changes and a rise in cases we have decided it is best to wait.

We wish you all a wonderful Summer and thank you for your continued support, our last day is Thursday 22nd July and we aim to open in line with the School term on the 2nd September.

Learning and stories of the week

Whilst we do encourage any additional learning you would like to do at home, we would just like to remind parents that there is no pressure whatsoever to do so. Schools do not have any expectations on the children when they start school so anything you do at home, please think of as an added bonus!

Our sounds of the week are as follows:

5th July- m

12th July- d

19th July- g

Our stories of the week this month are:

5th July- Sharing a Shell

12th July- What the Ladybird heard on holiday

19th July- Rainbow Fish

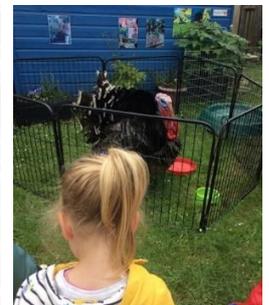

Farmer Gow's

We had such a wonderful time with the Farmer Gow's team and are so grateful to them for bringing the animals to see us.

The children absolutely loved seeing the animals and it was brilliant to have the opportunity to be so hands on with them. The children enjoyed feeding the lambs with bottles and holding the chicks on their laps. The Turkey contributed lots too with a very loud, sporadic "Gobble Gobble!"

They asked wonderful questions and listened so well.

If anyone would still like to contribute to Kira's Just Giving page, we would be grateful. We have not yet covered our costs: <https://www.justgiving.com/fundraising/kirawatkin>
